We will be open between 9:30 and 12:00 noon with breakfast being served between 9:30am and 11:30am.

We would be very grateful if anyone interested could offer to help with a few jobs such as getting out and putting away the Lego boxes at 9:15am and 12:00 noon, occasionally helping with cooking etc.

Please contact **Lesley (341221)** or **Linda (341468)** if you can do this.

Thank you

Week St Mary Bonaventures **Women's Institute**

The WI was founded over a hundred years ago for women, by women, and continues to be diverse, progressive and supportive of all its members and visitors alike.

The WI is what we make it. It is our WI and the more we put into it, the more we will get out of it. Friendship and fun are key!

Our members have a wide range of skills, knowledge and experiences which they are keen to share and new members are always welcome.

We meet every month on the 2nd Thursday at 7:00pm for 7:30pm usually in the Methodist Chapel School Rooms.

Detailed below is our diverse programme for the next seven months - an interesting range of guest speakers, together with our usual fun monthly flower and letter competitions, accompanied by lots of lively chatter amongst friends.

If you're not sure it's for you, why not come along and give it a try - you'd be very welcome!

12th September - David Thorn from Spencer Thorn -

'Sharing the History of Bude'.

10th October - Terry Faull tells tales of Demelza's People - 'The Real Poldark Inheritance'.

14th November - Frances Stuart - 'All About Lundy' - Open Meeting All Welcome'.

5th December - Our very own Judith Taylor shares stories of her 'Life With Flowers'.

2025

9th January - 'No Meat January' - AI from Trigon Farm talks all things Vegetarian.

13th February - Michelle Clement from British Divers Marine Life Rescue talks about their welfare and conservation work - Open Meeting All Welcome.

13th March - Nigel Hicks from the Ovoid Orangutan Charity which is dedicated to improving Orangutan welfare. Open Meeting All Welcome.

HMMC in September

Please Note that the HMMC sessions will be on Monday 9th September as usual and the 30th September to avoid a clash with the REVEL Harvest Service & Supper

Safari Supper

Many thanks to the 117 people who made Week St Mary Safari Supper another great success this year. The weather turned out "OK" after some prayers and crossed fingers and five venues, including the church provided a hearty supper with no muddy footprints.

Thank you to Rob and Sue Isherwood (Sherry), Rob and Sue Dickenson, Ellen Morrison, Pamela and Abi (Starter), Linda Cobbledick, Sue Parish, Judith Taylor, Derek Orchard and Lesley Booker (Main course), Nicole and Mick Rollo, Louise Lamb and Jenny Rea (Dessert) and Helen Nicholson and Enid Campbell (Coffee and Cheese).

Your efforts are most appreciated and your time and generosity contributed to a most successful fundraising event which was much enjoyed by everyone.

Week St Mary Harvest Festival and Supper

Week St Mary Village Harvest Festival will be held this year in Week St Mary Church at 7pm on

REVEL

Plans are well under way for a Bumper Revel this year! For the last few years we have had the help and support of Alan Colwill, his business and his friends plus that of several other local businesses such as Dan Hirst, Steve Naish Bouncy Castles and Twisted Splinter woodwork, as well as numerous villagers and their families and all of these and more have offered to help again. We are hoping to welcome Boscastle Border Morris once again to lead the procession and dance in the afternoon. This year's Harvest Queen's Party will be Charlotte Sharland, Delphie Ellis, Rowan Spetttigue & Lucas Willoughby.

Due to the peculiar way that the Revel date is calculated, this year it falls on the third week in September on Saturday 21st, so we are hoping against hope for an Indian Summer!

Unfortunately, we will not be having a Dog Show this year but instead will introduce The Best Dressed Henry Contest which will encourage everyone to dress up their vacuum cleaner and parade it for judging in the arena. Look out for further details in this month's magazine see p14.

There will be the usual wide variety of stalls plus a few new ones and once again this year there will be an all afternoon tea in the marquee and a licensed bar for afternoon and evening. Evening entertainment is live music from Devil Rain, games and a Barbecue.

In the week before, the scene will be set with a variety of Revel Week activities in September as listed below:

Sunday	15 th	Car Treasure Hunt details of which will appear in September's magazine.
Wednesday	18 th	Revel Bake Off and Fruit and veg show
Friday	20 th	Bingo in the Parish Hall
Saturday	21 st	Revel Day
Sunday	22 nd	Evening Revel Sunday Services in Church

Monday 23rd with Rev David Saunders and Chapel service in the morning. Harvest Festival and Supper in the Church with donations of food and cash for Bude Food Bank.

Revel Tea - HELP!

Revel Tea is helped enormously by donations from everyone in the village, so please look out for the food lists which will appear in the shop, church, chapel and online to pledge your gift to make the afternoon go well. **Trina Ward** is organising the tea, so get in touch if you have any food or help to offer **01288-341317**

Cllr Johns has painted the shed in the playing field – thanks were extended to her and to Cllr Hamlyn for their work. Cllr Hamlyn said someone had reversed into the lower gate and bowed it.

Highways, Footpaths & Greens

Cllr Hamlyn had received a message about trees felled in the gateway of a property opposite Broad Close. He has reported a number of pot holes – some have already been repaired and others marked for repair. Cllr Johns had received a message about speeding in the village and an enquiry over purchasing a flashing speed indicator sign. Cllr Bolt said the local group were looking at what speeds are in the village and then they can go to Cornwall Council with the data. The clerk to speak

to Cornwall Council and Cllr Chopak again regarding the speeding and also the 20mph scheme.

10 Correspondence including (all relevant emails forwarded):

The following correspondence was noted: Road closure order – Penfound Road, Poundstock; Local Council planning training September 19; Cornwall Council Affordable Housing newsletter; Cornwall Council Town and Parish Council newsletter; Forest for Cornwall newsletter.

11 Community Infrastructure Levy and Community Benefit Fund applications

Week St Mary Chapel graveyard; Friends of Week St Mary Church, Churchyard and Graveyard. It was proposed to grant £400 (made up of a payment of £200 for 2023 and £200 for 2024) out of the Community Benefit Fund to both. The clerk to contact both applicants to ask them to get back in touch in September with their requirements for 2025 before the budgeting process begins.

12 Agenda items

Lambley Corner

Oliver Jones (CORMAC) has confirmed permission for the posts and wild flowers at Lambley Corner. The clerk will submit the licence. Cllr Hamlyn will begin the work.

Ashbury Grove

Councillors received the latest correspondence about Ashbury Grove. It was confirmed that someone had attended occasionally to cut the grass, and the shrubs have been kept tidy by residents.

New area playing field

Cllr Slade noted that the area is currently stable, with the grass taking root. When quotes were sought for the drainage work, they said the angle of the bank was too steep, but it has found its own level. Cllr Hamlyn suggested getting some top soil to fill the voids and stop the water building up in the voids. There is an abundance of willow at the bottom of the field, and when it starts to die back, this could be used to stabilise the bank.

It was also noted that the bottom area can now be opened up to walkers. The signs asking people to avoid the area will be taken

down.

Cllr Johns suggested the installation of a bin down there, as there is a picnic bench already there. Cllr Hamlyn will source one and install.

Pensions Discretions Policy

Councillors voted in favour of adopting the circulated Pensions Discretions Policy.

Financial Regulations and Standing Orders

Councillors reviewed the updated Financial Regulations and proposed to adopt them.

Councillors reviewed and re-adopted the Standing Orders.

Path project

The council received correspondence from Cornwall Council to ask if it was still interested in proceeding on the funding path, as some projects ahead of the project were moving up the reserve list. Cllr Peters felt the project was dead in the water and had only moved from sixth the fifth reserve. Cllr Richardson said the council could still say it was interested, then if it unfolds, could look at it to re-assess. Councillors agreed to progress.

Orange Curd - recipe provided

This year's Extra Challenge

Frangipan Flan - Recipe provided

Frangipan Flan Recipe

Flan Pastry **Oven temp 200° Fan 180° Gas 6**

4 oz Plain Flour

3 oz Butter or Margarine

1 tsp caster Sugar

1 egg

Rub the fat into the flour until it resembles fine crumbs. Mix in the sugar, add the egg, stirring until the ingredients begin to stick together, then collect the mixture together with one hand and kneed lightly to give a firm smooth dough.

Frangipan filling

2 tbsps raspberry jam 2 oz butter or marg

2 oz caster sugar 1 egg beaten

A few drops of almond essence

2 oz ground almonds

½ oz flour, (2 oz icing sugar for topping)

Roll out pastry and line a 7 inch flan ring, taking the pastry up the sides of the flancase. Spread the bottom of the pastry with the jam. Cream together the fat and sugar until pale and fluffy and add the beaten egg and essence a little at a time, beating well after each addition. Fold in the ground almonds and flour with a metal spoon. Put the filling into the jam lined pastry case. Roll out the trimmings of the pasty and cut ¼in (0.6cms) wide strips to form a lattice on top of the filling. Bake flan in the centre of the oven for 10 - 15 mins, then reduce the oven temp to 180° Fan 160° Gas 4 for a further 15 - 20 mins, until the filling is firm; remove from the oven. Mix the icing sugar with a little water to produce a thin icing which can be brushed on top of the flan when cooked.

ORANGE CURD

100g / 4 oz butter

200g / 8 oz granulated sugar

3 standard eggs and 1 standard egg yolk beaten together

2 medium-sized oranges and 1 medium sized lemon

Melt butter in a basin standing over a saucepan of gently simmering water (or double saucepan)

Add sugar, beaten eggs and finely grated rind and juice of oranges and lemon.

Cook gently without boiling until Curd thickens sufficiently to coat the back of a spoon. **(This is important because if overheated the mixture may curdle and separate)**

Pour into clean, dry and warm jars and cover as for jam.

Store in a very cool place and Do not keep for longer than two weeks

CHOCOLATE BROWNIES

200g unsalted butter
200g dark chocolate chips
175g brown sugar
3 eggs
1 tsp vanilla extract
75g plain flour
30g cocoa powder

Preheat oven to 180°, Fan 160°, Gas 4

Grease and line a 20cm/8in square tin with greaseproof paper.

Place butter and chocolate chips in a heatproof bowl and microwave for 1 minute approx. until melted (or over a bowl of hot water). Stir until smooth.

Add sugar and vanilla, mix, then add eggs and mix well until smooth.

Add flour, cocoa and salt and stir until smooth. Pour into tin.

Bake for 25 to 30 minutes approx.

Rest for 10 minutes before lifting out of the tin. Allow to cool for at least 20 minutes before cutting into 4 squares.

Store in an airtight container for up to 4 days, or freeze for 3 months.

DECORATED PLACE MAT

**Dinner Plate sized cardboard round,
covered and decorated**

Each place mat will be judged according to age, and the best entry in each age group will win a small prize.

Seasons

I look back on my first summer in the deanery with gratitude. I have had the opportunity to take part in village fetes and festivals that have taken place, bringing communities and holidaymakers together for fun and friendship. It has been a real privilege to be part of such welcoming communities at this time of year, seeing first hand how the summer months are a time of laughter and conversation. At the same time, I have been amazed by the beauty of the Cornish countryside and coastline with its vibrant colours and stunning sunsets.

The South-West coastline really is a little piece of God's heaven and a chance to reflect on His greatness. During this time of year, the Bible reminds us of the importance of seasons as metaphors for the different stages of our lives and our own growth. In Ecclesiastes 3:1 we are told that *"For everything there is a season, and a time for every purpose under heaven"*. The summer season especially is an opportunity for us to get outside, to rest and to reflect on what is important in our lives.

In the Bible God emphasises the importance of rest as a battery for recharging our bodies, minds and spirits and for finding peace. Summer is an ideal time for bonding, spending time with families and strengthening relationships, including our relationship with God. So, as we move into the last few weeks of summer before the changing of the seasons once more, let us be grateful for the opportunities we have had to love our neighbours and enjoy time together.

As we head into autumn with the end of holidays, the journeys back to work, and the start of another school year,

let us bear in mind that this new season is also a chance for personal growth as we embrace change once again in this time of harvest and reaping. For some at this time, change might seem scary, but just as the trees in autumn shed their leaves, we too can make room for new experiences and growth.

Good luck to all those who are getting ready for schools, colleges and universities as we look towards the changing of seasons. May God bless each and every one of you as you look to make the transition into a new season of your life.

Revd David Saunders

Revel Cake Stall 2024

Your Revel Cake Stall Needs You!!

The Cake Stall is always visited with eager anticipation but in order to meet that expectation we need lots of cakes, savouries, preserves and fresh produce.

Please can you help, or encourage someone you know to make or bake and either bring to the revel field on the morning or to Sue Dickenson at Ranelagh before the day.

Your contributions, however small,
will be gratefully appreciated.

Sue Dickenson

At Last OFCOM is doing its job!

A new directive by Ofcom, published: 29th July has given phone companies 6 months to come up with plans to stop spoof calls.

These must include

- Block more calls from abroad which imitate UK landline numbers.
- More effort must be employed to reduce suspicious calls and texts,
- Prove the disruption of spoofing from abroad and mobile messaging scams.

People will be better protected against scammers who call from abroad and imitate UK landline numbers, under strengthened industry guidance.

This guidance will come into effect from 29th January 2025.

Hopefully this will now help reduce the number of scam calls hitting every home.

I've spoken at length on my reservations regarding AI and I know it will eventually benefit mankind in many ways. However, the short-term use is misguided and wrong! This is borne out by Microsoft who have suspended the publication of their AI voice simulator as being too dangerous for general use. This software which can not only clone an exact voice pattern and convert a text document into real time audio, although text to speech has been used for many years using simulated voices, the accuracy is now such that any voice when cloned and published with totally fake dialogue and imagery will have devastating consequence! However other software companies continue to promote similar systems and this will only lead to many future scams.

The incarceration of Stop Oil protestors made me think of a recent study by Oxford University on the annual Green House Gas emissions of a computer. The study shows the carbon footprints of some typical working Personal Computers:

- Desktop + screen emits 621kg CO₂e
- Laptop + screen emits 691kg CO₂e (up 11%)
- Desktop + 2 screens emit 903kg CO₂e (up 45%)
- Laptop + screen at office + screen at home emits 928kg CO₂e (up 49%)
- Desktop + screen + laptop emits 1,030kg CO₂e (up 66%)

Over 95% of all computer components are made in China and most electronic systems are made with over 90% plastic components, the burning of fossil fuels is not the only contributor to global warming and the more we use computers and mobile phones the more CO₂ is pushed into the atmosphere, then there is the mining of cobalt to make the batteries using child labour in Africa and the highly toxic burning of components in India to retrieve small amounts of gold from old motherboards, I could go on!
